# ECOM-ENERGY CASE STUDY

ENERVISOR SOFTWARE - UTILITY MANAGEMENT SYSTEM

As part of MemorialCare Health System's Corporate Energy Strategy, **Ecom-Energy** used its comprehensive **EnerVisor Software** to independently verify a small water project and track actual savings at Saddleback Medical Center.

Want to learn more about how EnerVisor Software can work for you? **Let's chat**!

MONTHLY COST

MONTHLY USAGE

Month	Previous 12 Months	Most Recent 12 Months	Savings
Nov	$5,749	$3,857	$1,892

EnerVisor
Utility Management System

Whether you need to validate project savings, analyze energy trends, benchmark energy use via ENERGY STAR® and Energy to Care, or identify bill anomalies and savings opportunities, EnerVisor Software makes your job easier.

There are hundreds of reporting possibilities in EnerVisor Software, including charts, graphs, and custom spreadsheets. By tracking data at the line item level, EnerVisor Software provides the insight you need to take control of your gas, power, and water profiles.
